

In an effort to keep policies up-to-date so that they may be used consistently as a basis for Board action and administrative decision, the SAU Policy Committee will review policies on a continuing basis.

The Board will evaluate how the policies have been executed by the school staff. It will rely on the school staff, students, and the community for providing evidence of the effect of the policies. Recommended changes will be presented to the SAU Policy Committee.

The Superintendent is responsible for calling to the SAU Policy Committee's attention all policies that are out of date or appear to need revision.
