

RESOURCES FOR NH AGENCIES & COMMUNITIES

- **State Bureau of Emergency Management:** maintains information and linkage with the Disaster Behavioral Health Response Team (DBHRT). DBHRT can provide trained volunteers to offer grief counseling and/or psychological first aid following a traumatic event: (603) 271-2231; (603) 419-0074
www.nhoem.state.nh.us/
- **Center for Trauma Intervention:** Can help businesses and communities to minimize the harmful effects of traumatic incidents and psychological stress. (603) 431-1191;
www.cti-llc.net
- **The Connect Program:** Website provides general information about suicide, suicide prevention/intervention and postvention trainings, and supportive resources;
