

No student shall bully any person while on school property. Bullying is conduct which subjects a student to insults, taunts, or challenges, whether verbal or physical in nature, which are likely to intimidate or provoke a violent or disorderly response from the student being treated in this manner.

Any school employee, or employee of a company under contract with the District, who has witnessed or has reliable information that a student has been subjected to bullying as defined above shall report such incident to the principal, or designee who shall report the incident to the Superintendent.

Violation of this policy will result in disciplinary action as outlined in the Stratham Memorial School parent handbook. Disciplinary action may escalate for repeated offenses.
