• As your employer, we offer a health plan to:

All employees.

Some employees. Eligible employees are:

Teachers (EEA) - all are eligible.

Para's (ECPA) - all who work thirty (30) hours per week or more.

Administrators - all are eligible.

Support Staff - all who work thirty (30) hours per week or more.

• With respect to dependents:

We do offer coverage. Eligible dependents are:

Spouses, dependent children to age 26 and certain incapacitated dependent children.

We do not offer coverage.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.
